

Paxton Pits nature reserve

Paxton Pits Nature Reserve is a rich mosaic of wildlife habitats covering 193 acres of lakes, riverside meadow, reed bed, scrub and woodland which welcomes visitors at all times of year.

The Reserve supports a diverse array of wildlife, including 160+ species of birds – with 60+ breeding onsite – 360+ varieties of fungi and 600+ species of moth, plus wildflowers, butterflies, bees, dragonflies, otters and much more.

Visitors can enjoy three hides and many viewpoints, with easy access to the most popular areas for those with disabilities. The 10km of nature trails are integrated into a much larger network of footpaths and the Ouse Valley Way.

Parking is free, and a friendly welcome is guaranteed at the Visitor Centre which offers information, refreshments, bird food and gifts. Staffed by volunteers, the Centre and toilets are open 10am-4pm seven days a week, depending on volunteer availability.

Paxton Pits is managed by Huntingdonshire District Council Countryside Services supported by the Friends of Paxton Pits Nature Reserve and the local community.
